

Speech & Language Therapy Career Day

Friday 8 February 2019, 9:30–12:30 | iSpace (KCB)

Would you like to find out more about an exciting career working with children and adults who have communication and/or swallowing difficulties? Speech and language therapists (SLTs) provide life-improving treatment, support and care for a range of client groups of all ages, such as children with speech and language delay, adults who have had strokes and people with learning difficulties.

This unique event offers the opportunity to discover more about the SLT's role. You will hear personal stories from SLTs working in the NHS and other settings and you will meet students currently studying SLT at the University.

Marjon offers a 3 year BSc Speech & Language Therapy course which leads to a professional qualification as a SLT. Applicants will be studying for A levels in subjects such as English, psychology, biology or another science. We also welcome applicants studying Access to Higher Education courses and foundation/first degrees.

If you are thinking of applying for a SLT course but have had difficulty securing experience 'shadowing' a SLT to find out more about the profession, then this day is for you!

Programme

Time	Activity
09:30	Coffee/tea and welcome
10:00–11:15	'A day in the life of a SLT' - presentations from practising specialist SLTs describing their work and the type of clients they might see.
11:15–11:30	Refreshments
11:30–12:00	Key topics in SLT
12:00–12:30	Q&A
12:30	Lunch in the University dining hall
